Re: Case File Number ZA-2018-9956-CU  
7-11 Convenience Store at 8224 S. Western Avenue

Dear Zoning Administrator,

On behalf of the Empowerment Congress Southwest Area Neighborhood Development Council (ECSWANDC) I submit this "Letter of Support" for a Conditional Use Permit for 7-Eleven to operate a convenience store 24-hours per day 7 days per week at 8224 South Western Avenue, Los Angeles, CA. 90044.

The ECSWANDC Board voted on September 17, 2018 to support the application in consideration of the following stipulations. 7-Eleven has committed to bringing fresh and healthy food items to our community in addition to their usual convenience store offerings. They have assured the ECSWANDC Board and stakeholders that liquor will not be sold in this store, cleanliness and beautification of this store will continuously be maintained, loitering will not be allowed, uniformed armed security for the store will be provided on a 24-hour 7-day a week basis, and local hiring and involvement in our community will be encouraged as a way of giving back. In addition, our full support of the CUP is given under the condition that this location will never offer Cannabis products for purchase and that all beforementioned stipulations apply to the current and any future owners of the store (franchisee or company).

Thank you for allowing ECSWANDC's voice to be heard in this matter.

Respectfully Submitted,
